WORK EXPERIENCE

Co-founder & AI PM @ PM Heaven · Mar 2025 – Present

- Helped clients with AI Product Strategy leads to an AI native workflow within 3 months
- Delivered AI-powered Prototype & MVP within 15 to 30 days using AI-assisted tools

Principal PM @ orDevs · Aug 2024 – Present

- Introduced a structured approach to collect and triage customer feedback into a prioritized improvement backlog, separating actionable signal from noise, cut dev time on wrong features by roughly 25%
- Persuaded the founder to consolidate focus from 4 products to 1 based on MRR analysis, overcoming initial resistance to data-driven prioritization - realigned growth strategy around the strongest revenue driver

Sr. Training Consultant @ SIMEC Institute of Technology (Contract) · Jul 2024 – Sep 2024

- Selected as an industry expert to train a professional cohort in Product Management and Java/Spring Boot under the government's EDGE Project

Lead Product Manager @ Easytrax World · Jan 2024 – Jul 2024

- Designed a lightweight CSAT tracking process (1–5 scale) via Customer Care after ticket resolution and random check-in calls, achieved a 4.6/5 average satisfaction score within 2 months, after low response rates ruled out standard NPS

- Established policy to test code and implement best practices, cutting bug reports by ~33%
- Mentored a customer care executive into a Product Analyst role

Senior Technical PM @ *Easytrax World* · Aug 2022 – Dec 2023

- Redesigned the onboarding flow & add registration page to let any visitor self-register and auto-login with demo credentials; thus implemented Product-Led Growth (PLG) resulted in a 150% increase in leads - as Freemium or Free Trial was not possible for GPS-tracking Solutions
- Led a cross-functional team (Android/Kotlin, iOS/Swift, React, Django, Laravel, Node.js) through an upgraded product launch, working directly with engineers across the stack
- Engineered a dual-backend authentication layer to migrate live GPS-tracking clients from a white-labeled platform to a self-hosted system with zero service disruption, while enforcing configurable concurrent-session limits via custom middleware
- Built a granular WBS to control scope, time and budget, reducing delivery time by 10%

Technical Trainer @ *Software Dev Academy (SDA)* — Tallinn, Estonia (Remote) · Nov 2021 – Aug 2022

- Trained 3 cohorts of EU students in advanced Java, JDBC & Hibernate

Technical PM @ *Quality Up Services (QUPS)* — Detroit, US (Remote) · May 2020 – Jun 2021

- Led the launch of an oxygen supply service for COVID patients, achieving 10% cost optimisation

Founding PM @ *Aspile* · Aug 2019 – Jul 2020

- Co-founded the startup; owned product and project management as part of a small founding team, reducing operational cost by 40%

Lecturer & Project Supervisor @ *Dept. of Software Engineering, DIU* · 2016 – 2022

- Supervised 100+ Software Projects & Thesis and end-to-end and mentored teams through full build cycles; helped organizing DIU's ICONCS2020 international conference (Scopus Indexed)

Research Associate @ *Dept. of Software Engineering, DIU* · 2015 – 2016

- Conducted research alongside teaching programming and project courses

Software Engineer & Sr. Dev @ *ABSS Ltd. & MISL BD* · 2011 – 2014

- Conducted requirement analysis and database design, and authored Software Requirement Specifications (SRS) for Asian University (AUB) & Northern University (NUB)
- Led development and technical documentation of the Academic Module within Advanced University ERP, built on Groovy/Grails
- Contributed to Ababil, an Islamic Banking Solution, by implementing multilingual localization and migrating the UI from table-based to CSS3 div-based layout
- Contributed to development of Advanced Small ERP using ASP.NET MVC 3 and Oracle 11g
- Developed websites and multiple client projects using WordPress and CodeIgniter (PHP)

EDUCATION

BSc in Computer Science & Engineering @ Khulna University of Engineering & Technology · 2006 – 2010

- Completed the Engineering degree with a 1st class
- Achieved full waiver of tuition fees

SSC & HSC (O Level & A Level) @ Jhenidah Cadet College (JCC), Jessore Board · 2003 & 2005

- Achieved scholarship in HSC Board Exam
